Monday - Friday 8:00am - 6:00pm

Introduction.

Offering full day care for the working parent,
our foundation class offers the perfect stepping stone
to primary school,

Following the foundation stage curriculum along with
a wide variety of additional activities,
including state of the art technology, with computers
and interactive smart board with foundation based
software your Childs every need is met.

Activities.

Our newly refurbished child centered furniture
ensures each child enjoys a wide variety of activities.
Including, messy play, craft play, education and
development programmes, role play, language
and sound lab, music and movement, construction,
trips to the local park and also an annual trip that
even the parents can attend.
This is just small taste of the many activities we offer.
